

Thank you for your interest in becoming a member of the 26TEN Member Network. The 26TEN Network is all about working together to improve literacy and numeracy levels in Tasmania.

The 26TEN Network brings together business, community and government organisations to raise awareness and help Tasmanians improve their literacy skills. With nearly one in two Tasmanians having difficulty with everyday literacy and numeracy tasks, every contribution makes a difference.

As a member of 26TEN, you can develop a plan of action to promote 26TEN and to address your organisation's literacy needs and those of your clients. We have included a checklist to give you some ideas.

Please complete and return the application for membership and your action plan checklist so that you can join us in our campaign for improving adult literacy in Tasmania.

The 26TEN team is happy to answer any questions you have. Contact us on email@26ten.tas.gov.au or phone 61 65 55 15. For more information, visit our website on www.26ten.tas.gov.au.

Once again, thanks for your interest in joining us. We look forward to working with you.

Yours sincerely,

Siobhan Gaskell
Convenor 26TEN Coalition
