

Celebrate 26TEN Week

21-26 October 2019

Let's talk 26TEN

This year, our theme, **Let's talk**, highlights the importance of the oral communication skills that connect us to our families and friends, workplaces and communities.

**We invite you to support
adult literacy by talking
about 26TEN this October**

There's always plenty to talk about

- **Talk about 26TEN**, Tasmania's campaign for adult literacy, with your friends, families, neighbours and colleagues.
- **Tell people about the 26TEN Chat**, a guide to having a conversation about getting literacy support with someone you have noticed struggling with reading, writing or maths.
- **Wear your 26TEN badge** and encourage others to sign up as a supporter

See our fact sheets - Resources section
of the website: www.26ten.tas.gov.au
